Learn Together, Live Together, Lead Together

Our Vision at Prairie Rose Elementary is that students will learn to become Leaders. We use this acronym:

L – Love Learning
E – Excel in All We Do
A – Achieve Goals Together
D – Do what is right

Our goal is to increase positive behavior by learning the 7 Habits. We want our

students to use their 7 Habits to show great leadership skills.

Author Visit

We are pleased to announce that we will be having the author, Tory Christie, visit Prairie Rose on Friday, March 8th. Mrs. Christie will be presenting for grades 3-5. Order forms to purchase Mrs. Christie's autographed books will be sent home in February.

Spring Book Fair

Spring time is here and we are ready for our Book Fair! It will be held in Room 143. The dates will be February 4-8, 2019. The times will begin at 7:45-8:20 am and continue after school until 4:00 pm. During parent teacher conference on Feb. 5 & 7, the book fair will be open until 7:00 pm. On Feb. 8th, the book fair will be packed up. Once again our school will participate in the classroom wish list. Teachers who wish to participate in the classroom wish list will choose a number of books that they would like to add to their classroom library. Families will have the opportunity to purchase books and donate them to Prairie Rose classroom libraries. This is not mandatory, but is always appreciated. Please join us for Dino-Mite Book Fair! Reading is so much fun! Reminder if you are unable to attend our Fair event you may order online from January 30th – February 12th.

We thank you for all your continued support and for supporting reading in your child's lives.

Busing

The following policies have been implemented regarding bussing during inclement weather.

- If rural busses are canceled so is the shuttle bus system.

- If rural busses run early (early release) the shuttle bus system will be canceled.

Parents will need to pick students (shuttle bus) up from school at the end of the school day.

In the case of early release due to weather it is the school's belief that rural students must be transported home as quickly as possible, the shuttle system would hinder this. In addition, the contact of parents would be difficult to accomplish with the number of shuttle students, in short periods of time. Thank you for your understanding.

National School Counseling Week

Feb. 5-9 is National School Counseling Week. We would like to thank the counselors who serve the children in our school. They work with classrooms, small groups, and also work with individual students.

K-5: Mrs. Weber and Ms. Hausauer
If you would like to speak to one of our counselors, please feel free to contact the school during our regular school hours.
