Backpack Program for Students

The Dickinson Backpack Program is a food program which provides school age children with some extra food on weekends and during school breaks. The food in the backpack is easy to prepare food, snacks, and beverages that will sustain one child over a weekend. Dickinson Public Schools has expressed that they would like their schools to benefit from this program. If your child(ren) could benefit from the Backpack Program because you are experiencing financial hardship, please contact the school office or Bethanie Krieg, our school social worker, at bkrieg@dpsnd.org.

Box Tops

Thank you for the Box Tops for Education already collected. Please continue to collect these tops and send them to school with your children. They can be given to your child's teacher or dropped off at the office. Also if you are an online shopper, please check out the Box Tops for Education program online because certain online businesses allow you to collect points for your school. Money that we receive from Box Top collections will be added to the PAC account for special events and field trips for our students.
