2019-2020 Kindergarten News

If you have a student who is just beginning in Kindergarten this upcoming school year, you should be receiving a placement letter in the mail. Students who are placed at Prairie Rose Elementary will be receiving letters from your child's Kindergarten teacher at the end of July. This letter will be to invite you to a personal meet and greet conference with your child's teacher scheduled in August. When the conference is completed, we will have students or staff available to take you on a tour of the rest of the school. At the end of August, prior to school, you are invited to an All School Open House. If you have not yet registered your Kindergarten student, you are encouraged to do so as soon as possible. You may register them at the Central Administration Office.

Lunch Charges

Parents are asked to clear any negative balances that their children may have in their lunch account and only send enough money to finish the school year. Breakfast and lunch will be served on the last day of school, which is May 22nd.

Library Books

During the last year we have experienced a large growth in the number of students that we have enrolled at Prairie Rose Elementary and with this growth we have had an

increased loss of books and damaged books. During these last school days, we are asking for your help by returning Library books in good shape and making sure to pay for lost or damaged books promptly. In doing this our School Library books will be enjoyed by all the students. If your family is relocating, please inform the Librarian that you will be leaving. We will ask that the student keep their books at school the week before they leave. If the book is lost or damaged. Please write a check to Prairie Rose Elementary or send exact cash.

All library books are due May 10th.
Inventory is May 13-17, 2019.

End of the Year Report Cards

Report cards will not be given to the students on the last day of school. Your child's report card will be mailed out on May 28th.
